14 July, 2010

Dear Parents,

**REMINDER re TRANSPORT APPLICATION FORM 2010/2011**

Please find attached another copy of the Circular of 8 July, 2010 containing the Transport Application Form and details for the transport service during the next scholastic year.

May I remind you that the completed and signed application form and cheque must both be received by the School by **not later than Friday 30 July, 2010**.

The envelope (with the signed application and cheque) is to be mailed to San Andrea School, L-Imselliet, L/O Zebbiegh MGR 2850 and clearly marked "School Transport".

Finally, please note that those parents needing transport facilities for children who will use the 'extended day' service in Pre-Nursery, Nursery and Grade 1 classes are kindly requested to tick the relevant boxes on the attached Application form.

*Parents who have already mailed the application form may ignore this reminder.*

Yours sincerely

## San Andrea School

8 July, 2010

Dear Parents,

### TRANSPORT APPLICATION FORM 2010/2011

Please find attached the Transport Application Form for completion by those parents who wish to make use of the school transport.

The application and cheque must both be received by the School by **not later than Friday 30 July, 2010**. The envelope (with the signed application and cheque) is to be mailed to San Andrea School, L-Imsekkiet, L/O Zebbiegh MGR 2850 and clearly marked "School Transport".

The conditions under which your transport application will be considered are as follows:-

- A deposit of €35 per child is to be paid with the application. This fee will be refundable to you at the end of the scholastic year. If transport is discontinued during the scholastic year, this deposit will be forfeited.
- The School reserves the right to reject any or all late applications. All late applications (where accepted at the School's discretion) will incur an additional administrative charge of €12.
- The School management needs to co-ordinate with the transport contractor to determine the exact number of vehicles to be utilised. In order to do so, the School will need to have a precise indication of the number of children making use of the transport services. Hence, the School **cannot guarantee** a place on the school transport system for those parents who send their completed application form **after the closing date**.
- For those parents who submit their application on time, the School can only guarantee the **ONE drop-off/pick-up point** as indicated by the parents on the Application Form.
- If parents make a request at any time for their children to be picked-up or dropped-off at different locations on any particular day, such a request will NOT be acceded to where the seating capacity of the vehicle servicing such different location would be exceeded. The transport contractor is legally bound not to exceed the applicable seating capacity arrangements, and will therefore refuse any such requests unless there is sufficient space on the vehicle in question.

***Please note carefully that repeated misbehaviour on the school transport by any student will result in the immediate discontinuation of the service.***

***Adherence to the above conditions will enable the Contractor to provide a safe, efficient and cost effective service.***

Yours sincerely
